

Monbukagakusho:MEXT Scholarship after HSC

Courses after HSC

- ❖ Undergraduate Course: 4 years Bachelor Course.
- ❖ College of Technology: 3 years in Technical College.
After graduation from a Technical College the student may admit in a Bachelor Course (3rd year) at a Japanese University as a transfer student.*
- ❖ Special Training College: 2 years in Vocational College.
After graduation from a Vocational College the student may admit in a Bachelor Course (3rd year) at a Japanese University as a transfer student.*

* There are about 40 national universities, 10 local public universities & 170 private universities offering university transfer programs to international students. Among those, about 50 universities hold special transfer entrance exams for international students and others impose the same exams as for Japanese students wishing to transfer.
