Japan Extends Japanese Language Learning Equipment to JUAAB

On 18 November 2009, His Excellency Mr. Tamotsu Shinotsuka, Ambassador of Japan in Bangladesh, signed a grant contract totaling US \$10,000 with Dr. AKM Moazzem Hussain, President of Japanese Universities Alumni Association in Bangladesh (JUAAB) under the Grant Assistance for Cultural Grass roots Projects of Japan.

JUAAB was formed with the support from the Government of Japan in 2000, aiming to strengthen the cultural and academic relations between Japan and Bangladesh. Since then, JUAAB members, the Monbukagakusho scholars, have been working towards supporting Bangladeshi students to study in Japan and disseminating Japanese culture in Bangladesh. The organization is involved in such understanding as education counseling, arranging education seminar, Ikebana workshop and Japanese language education. Under the grant contract, JUAAB will execute “ **The project for the Improvement of Japanese Language Learning Equipment of the Japanese Language School of the Japanese Universities Alumni Association in Bangladesh**”.

JUAAB, known as the ‘Face of Japan’, aims to improve the social environment of its Japanese language School by facilitating the students with new furniture, modern audio-visual instruments and computer based technology. With this new set-up, the Japanese language learners can enhance their Japanese writing skills using computers. In addition, they can easily get any kind of information related to Japan by browsing the internet.

The Embassy of Japan hopes that this assistance by the government of Japan will benefit the Japanese language learners in Bangladesh and attract more students to learn Japanese language.
