About the Specified Skilled Worker System

Specified Skilled Worker is a status of residence created for foreign nationals who wish to work in Japan. There are two types of the status of residence of Specified Skilled Worker: Specified Skilled Worker (i) and Specified Skilled Worker (ii). At present, Specified Skilled Worker (i) allows people to work in 16 fields, and Specified Skilled Worker (ii) allows people to work in 11 fields, with Nursing care, Automobile Transportation Business, Railway, Forestry, and Wood Industry excluded.
